## SC TIM Network Announces New 2019 Schedule

The South Carolina Traffic Incident Management (TIM) Network is pleased to announce its 2019 schedule.

TIM Team meetings will now occur biannually — once in the spring and once in the fall. TIM training will be provided in each location on the same schedule as well as additional times throughout the year, as requested.

Generally, TIM Team meetings will start at 10 a.m. with lunch provided at 11:30 a.m. Training will start at 1 p.m. You do not need to attend the TIM Team to participate in training, and training attendees will receive 3.5 hours of law enforcement CEUs.

Team meetings and training events are free and open to all areas of response — fire, police, Highway Patrol, EMS, towing, dispatch, DOT, media, coroners, public works.

Minimum registration numbers are required within a week of each event, or the sessions will be canceled.
